WELCOME TO MUNICH'S BEST HOSTS

Luxury. Service. Charm. The Grand Hotels of Munich are role models when it comes to perfect hospitality. And they put the greatest effort into fulfilling all your requests – if you still have any.

Here you will find some inspiration for a memorable stay.

MUNICH'S SECRET GARDEN. HOTEL OPÉRA

Hidden away and yet in the heart of the city. The Hotel Opéra is a stylish little city palais less than 100 metres from Maximilianstrasse. "What an atmosphere!" exclaim the guests enthusiastically as they enjoy breakfast or afternoon tea after shopping in the arcaded inner courtyard on fine days.

Those who stay here are looking for a private-house ambience; they value details and individuality; they love antiques and valuable furniture; and they appreciate the charm of personal service and the feeling of being a guest amongst friends.

Even the facade of the Hotel Opéra delights with its unusual entrance, its Renaissance inner courtyard its chandeliers and marble floors. The city palazzo has just 25 rooms, each with its own character and style of furnishing, created with a great love for detail. Enjoy the personal 24-hour private bar service instead of a minibar – and the heavenly peace of this unique residence.
